6th April 2022

Dear Sir/Madam

I am writing to object to the proposed licensing request by Olivia Gardens Ltd the address is 104 White Abbey Road, Bradford, BD8 8DP. The location of the premises is only 2 meters away from my house, and will cause noise nuisance, crime and disorder and there are a few elderly residents who have health issues which would impact on their health if permission is given to open till 2am Friday to Sunday and 1am Monday to Thursday. This is a residential street and I believe this is not appropriate for the location of the premises. I have no objections with the premises and believe opening until 11am would be appropriate for the location.

Sincerely,

Mr [REDACTED]

, I live in Wood Street Bradford just opposite 104 White Abbey Road, and this is a residential street, and I don't agree that the above premises are applying for a late night licence for a sheesa bar, there's a lot of elderly people living around this area and the noise and cars at 2.00 clock in a morning is unacceptable,

I am a resident of [REDACTED] White Abbey Road I'm writing this email to object to a sheesha bar opening on White Abbey Road as this will cause a lot of crime and disorder, noise and nuisance we have elderly residents living close by this is a residential area. Sheesha bars are open till the late hours and we as residents object to permission given for it to open. I hope you would take our concern into consideration.  
Thank you
