2.6 Relevant Representations Received

Responsible Authorities

A representation has been received from West Yorkshire Police who have been unsuccessful in their attempts to contact the applicant to obtain further information regarding the application.

The Police advise that the premises have been well known to them for a number of years. Incidents involving violence, drugs and concerns for the welfare of children are documented at the premises. Recent crimes include a large scale cannabis set up, a breach of covid restrictions and a male stating that he was assaulted at the premises.

Police enquiries with colleagues at Bradford Council show that a call was received from a gentleman identifying himself as Ozan Aso in May 2020, in relation to business grants, stating that he was the owner of the property and had been since June 2019.

In order to address the prevention of crime and disorder and the protection of children from harm objectives, West Yorkshire Police seek refusal of the application.

The representation is attached at Appendix 2.

Individual, Body or Business

Three letters of representation and a petition have been received which raise concerns of noise nuisance from entertainment and from patrons loitering outside the premises. Residents also have concerns regarding anti-social behaviour, criminal activity and litter problems.

The representations are attached at Appendix 3.

3. OTHER CONSIDERATIONS

Legal Appraisal

3.1 The Licensing Act 2003 requires the Council to carry out its various licensing functions so as to promote the following four licensing objectives:

- a) the prevention of crime and disorder
- b) public safety
- c) the prevention of public nuisance
- d) the protection of children from harm

3.2 The Council must also have regard to the guidance issued by the Home Office under Section 182 of the Licensing Act 2003. Regard must also be taken of the Council's statement of Licensing Policy for the District.

3.3 Where it is decided it is necessary to depart from the statutory guidance or the Licensing Policy on the merits of a particular case; then special reasons justifying this must be given that can be sustained.

3.4 Only "relevant representations" can be taken into account. In order to be "relevant" a representation must fairly relate to achieving a licensing objective. If it does not, it must be discounted.

3.5 Any licensing conditions that Members may propose attaching must also relate to achieving one of the licensing objectives; be tailored to the actual premises and style of licensable activity; must be reasonably achievable by the applicant and in his/her control.

Statement of Policy Issues

3.6 The following parts of the Licensing Policy are of particular importance; Part 4 (prevention of crime and disorder), Part 6 (prevention of public nuisance) and Part 7 (protection of children from harm).

3.7 The Annexes to the Policy sets out various types of model condition that could be considered.

The Council’s powers set out in the recommendations fall within the states right. A fair balance must be struck between public safety and the applicant’s rights.
